Wir bieten:

- An attractive and varied workplace in a nationwide education and social enterprise
- Long-term career opportunities in a caring and supportive work environment
- An interesting, responsible and varied position within a dedicated team with colleagues from across the globe
- Regular training and professional development opportunities
- Preferential allocation of places for your children at one of our kindergartens or Schools

The offer at our **KITA St. Leonhard International** is geared towards German and international families, for whom bilingual (German – English) education from an early age is important. The various activities offered in our KITA are just as colourful and diverse as the composition of our 105 children from 26 different nations. We are a place of life, learning and play, where languages are not taught, but experienced through practice of the immersion method.

Further information about our KITA can be found at www.cjd-braunschweig.de/angebote/kita-st-leonhard-international/
